Minutes for January Hollern motioned E. Martineau seconded it Passed.

Presentation The communication committee gave a proposal to get the website back online. They need to buy some new software, and try to retrieve as much information as possible from the old website. A motion was made to buy Word Press, Emma, and paypal on Google. Also a design template would be needed. Ads would be available to buy on the new website and dues could also be collected. Discussion was also brought up about the society registering as a 501(c) organization. **Motion** was made by Williams to buy software for \$320.00 that was needed for the website, M. Martineau seconded it. Passed.

Planning and Development a single family home was recently converted into a duplex. No permits were pulled and the city has been notified. More info to come later. The recreation path that is running along the Kimbel building may be moved on the site eliminating three road crossing. The city has been notified and the owners are talking to them.

Parks The site plans that were sent to the city , and have now been sent to the park board for review. Council will vote on paying for the park. Then the city will decide how the contracts must to awarded. Money needs to be used by the end of this year. **Wheeler Park** has been very successful, and is in need of some lawn maintenance.

Crime report Garage break ins are occurring around the neighborhood. The thieves are hitting the garage doors with their car and tearing them off the brackets. A brown van was spotted leaving one of garages. a house on Harrison is a possible case of squatters moving in a empty house. Neighbors have seen some suspicious activities. The police have been called.

Winter help Please remove snow from around fire hydrants, and clear drains.

Meeting adjourned
