The SNBA High Ball theme is "Alice in Wonderland" to be held October 30th. The SNCA is working with the city concerning the homeless that are living in Goodale Park. Puzitti gave a presentation on the plans for the UCT building across from Goodale Park. It includes a hotel, and Art Gallery. There will be a candidates night sponsored by SNF and SNCA.

**Parks** It has started! Construction on Harrison Park is well under way. Signs and a "Friends of Harrison Park" group need to be discussed. The park address is 995 Harrison Park Place. There will be a river bank clean up on October 2nd & 3rd. The seebees are planning on being here. The area where the condos on the park will be built later, is going to be treated as part of the park for now. We need to prioritize remaining TIF funds and give our opinion on how they should be spent. Street lights, Third Avenue improvements, and river access are all good ideas for the TIF funds. The Third Avenue Traffic Island is designed. A Bond sale is not far away.

**Police report** Fairly calm at this time. A couple of burglaries, and some auto theft. The no parking signs along Perry and Third Avenue are gone. Parking is now permitted there. It should help slow down traffic.

**Open Forum** Jacob Sukosd has contacted the new business on Third Avenue. The trailer is being removed from property. They were invited to the meeting. The Kimbal building is now owned by Wagenbrenner. Quality Meats building is rumored to be in contract with Jenny's Ice Cream.
