

Harrison West Membership Meeting

October 19, 2011

Meeting was called to order @ 7:00

Quorum was present

Treasurer's report \$3,968.10 in Checking

Presentation of the new plan for the Wagenbrenner project was presented by Jacob Sukosd "Planning and Development Committee" chair. Sukosd read the Hardship from the developer to the city council. The new plan eliminated enough units to be self parked. It went down to 108 units. The parking variance is no longer needed. The only variance left is to increase units from 75 to 108. Some discussion followed. Mark Wagenbrenner explained that every unit would have a condo parcel number attached to it and would be sold as soon as the economy gets better.

There was still concerns of the traffic, renters, and over use of the facilities. The discussion became heated. After about an hour and half of debate a motion was brought to the floor.

Motion was made that The Harrison West Society support the new plan to city council by Sukosd and seconded by C. Ruder. The motion was opposed by a vote of 14 to 7.

Motion was made that Harrison West Society oppose the new plan to the city council by A. Duetsch seconded by B. Mangia. The motion passed. 14 to 7. Sukosd will write a letter in opposition to the city council.
