Harrison West Arts: A. Keener, worked on comms back to Andrew, more steps needed to artist for proposed mural. Have a PO Box, looking for a bank for acct. Get art finalized, got a grant request in. Applying for some others, hope to be incorporated soon. www.harrisonwestarts.org.

Development: D. Carey. 2 proposals forthcoming. 875 Michigan (behind Bunn Minnick), repurpose Bunn Minnick, build on back parcel, will need a serious parking variance. Graphics proposal for extended stay hotel at Founders Park development. Putting up signs to be visible from 315. Will return in November with the two proposals. Will vote on graphics, but not parking variance in November. Jonathan Barnes re: 840 Michigan, expect to hear from them soon. Consider a time limit on development proposals (10 minutes for initial presentation, not on Q&A). Can be extended at discretion of chair/president.

Parks: B. Mangia. Mulch has been spread. Cutting down grapevine along riverbank needs help. Rake your leaves on your sidewalk. Please clean up after your dog and yourself. (parks@harrisonwest.org).

Membership: T. Price. 18 paid members for 2021, 57 for 2020 current (2 prepaid 2021). Going to send out a reminder. Annie Keener new membership chair. Can we use membership list and arts list email lists and cross promote? membership@harrisonwest.org

Short North Foundation: J. Hinderliter. Olentangy Mural Project awarded \$5K for the grant. Released the funds, Josh has the check.

Block Watch: L. Oldershaw: 1 theft (down from previous months), 2 residential burglaries 1 known suspect, other no loss), 4 construction site burglaries, 2 stolen cars (both recovered, 1 known suspect/1 arrest), 1 robbery of a cell phone on the bike trail. Consistent issues with AirBnb. Should HWS send a letter to the City? Comfortable with a letter to the City. Allegedly there's policy written that hasn't been submitted to City Council. Leigh will draft a letter listing the problem locations. Tire theft and cars being left up on blocks. Predominantly Hondas. Issues or questions please contact blockwatch@harrisonwest.org or go to Harrison West Block Watch on Facebook.

Open Forum: Josh got 7 signs that say SLOW DOWN from the City. Neighbor of the Year: do or not do for 2020? Zoom holiday party? Homeless camp starting by newbuild condos along the bike trail on the southern edge on Perry (east side). Trash is accumulating around the camp and river. Reached out to Joe Reidy, said it's up to the City to do something. No code officers removing homeless camps at this time. Reported to 311. If getting out of hand use 311. Metz will communicate to MI Homes as they might have more invested interest. Topic at SNF meeting too.

Meeting adjourned 7:50PM. Motion to adjourn Tim Price to second by D. Carey ADJOURNED.
