Short North Foundation: J. Hinderliter. Annual award of the foundation grant funds, went to Friends of Goodale Park to install ornate benches with commemorative aspects to them (location where the idea for ComFest started), next year is 50th anniversary so bench going to celebrate. Majority spent discussing security and other concerns regarding Short North activity on and proximate to High Street. Add CPD presence on certain nights. Club establishments now only game in town, no longer dispersed, concentrated in the Short North. Robberies occurring appear to be coordinated based on similarity of instances, younger people using scooters in coordination to grab purses. SNA encouraging contacting local scooter reps to create no ride zones/geo-fencing to shut down the scooters and get installed in the SN. Transit advocates think they need to be widely available in the Short North.
